## **Alcoholic Beverage Consumption and Sampling In Unlicensed Premises**

Recently, the Michigan Liquor Control Commission (“Commission”) has received numerous inquiries regarding the legality of non-licensed businesses allowing consumers to consume alcoholic beverages in their establishments, and numerous inquiries regarding non-licensed businesses offering free samples of alcoholic beverages to consumers.

The Liquor Control Code of 1998 generally prohibits alcoholic beverage consumption in non-licensed establishments pursuant to MCL 436.1913 and MCL 436.2027. However, since the participating establishments do not hold liquor licenses, the Commission does not have jurisdiction over them and is powerless to take enforcement action against these unlicensed businesses. **Therefore, the ultimate determination of whether a violation has occurred rests with the local law enforcement agency and the local prosecutor. Any suspected violations of persons allowing the consumption of alcoholic beverages for consideration or conducting alcoholic beverages samplings and tastings for monetary gain should be referred to the local law enforcement agency for enforcement action.**

### **Consumption:**

**MCL 436.1913** of the Liquor Control Code prohibits the consumption of alcoholic liquor (beer, wine or spirits) on any premises or place for “*consideration*” unless the premises are licensed by the Michigan Liquor Control Commission to allow consumption on the premises. Basically, alcoholic beverage consumption for consideration is limited to licensed bars, taverns, restaurants, clubs, hotels or places holding a Special License issued to a non-profit organization by the Michigan Liquor Control Commission. The term “*consideration*” is defined to include, “*any fee, cover charge, ticket purchase, the storage of alcoholic liquor, the sale of food, ice, mixers, or other liquids used with alcoholic liquor drinks, or the purchasing of any service or item, or combination of service and item; or includes the furnishing of glassware or other containers for use in the consumption of alcoholic liquor in conjunction with the sale of food.*”

MCL 436.1913 prohibits “blind pigs” or other commercial establishments that charge an entry fee or sell food, ice, mixer or other liquids to consumers and allow consumers to bring in their own alcoholic beverages. The statute would also prohibit any other non-licensed business from serving or allowing the consumption of alcoholic beverages as part of their business when the consumer has paid for some other service, such as barbershop, hair salon, tanning salon, limousine service, etc. If consumers are paying any cover charge, entry fee, donation, or any other fee for any goods or services, or are purchasing food, ice, mixers or other liquids, the law prohibits allowing the consumption of alcoholic beverages unless the establishment is properly licensed through the Michigan Liquor Control Commission. This law would not prohibit a wedding reception, retirement party, open house, or other similar event that is held in a non-licensed facility whereby the attendees were guests and were not charged any fee whatsoever.

Note that the prohibition is for the consumption of any alcoholic beverage product and doesn’t matter who is providing the alcohol or whether the person is bringing in their own alcohol. If there is any “consideration” involved, as defined by MCL 436.1913, the consumption of alcoholic beverages in an unlicensed establishment is a violation of MCL 436.1913 and the person providing the place is guilty of a felony pursuant to MCL 436.1909.

**Sampling & Tasting:**

**MCL 436.2027** of the Liquor Control Code prohibits samplings or tastings of alcoholic liquor for “commercial purposes” unless the sampling or tasting is done at premises that are licensed by the Michigan Liquor Control Commission for the sale of alcoholic liquor for consumption on the premises. The term “commercial purposes” is further defined as, “*means a purpose for which monetary gain or other remuneration could reasonably be expected.*” The “monetary gain” could be direct such as receiving orders for wine purchases as a result of a sample or tasting, or a more indirect monetary gain such as increased business as a result of advertising free alcoholic beverage samples.

As with the ‘consumption for consideration’ prohibition as previously described, alcoholic beverage sampling and tasting is limited to licensed bars, taverns, restaurants, clubs, hotels or places holding a Special License issued to a non-profit organization by the Michigan Liquor Control Commission.

MCL 436.2027 therefore prohibits in-home wine tasting parties conducted by alcoholic beverage suppliers, wholesalers and retailers, or any person directly or indirectly associated with them, who take orders for wine from attendees, but would also prohibit any tasting or sampling in unlicensed premises that results in a monetary gain as a result of an alcoholic beverage sampling or tasting.

If alcoholic beverage samplings or tastings are occurring on non-licensed premises for monetary gain, the person conducting the tasting may be guilty of a misdemeanor or a felony, depending on the circumstances, pursuant to MCL 436.1909.

---

**Again, the Michigan Liquor Control Commission does not have jurisdiction over non-licensed premises. Because of that, the ultimate determination of whether a violation has occurred rests with the local law enforcement agency and local prosecutor. Therefore, any suspected violations of persons allowing the consumption of alcoholic beverages for consideration or conducting alcoholic beverages samplings and tastings for monetary gain should be referred to the local law enforcement agency.**

If you have any questions on this matter, please don’t hesitate to contact the Commission’s Enforcement Division at (517) 322-1370, although again please be advised that the Commission does not have jurisdiction over unlicensed premises. The local law enforcement agency and local prosecutor have the ultimate say in any violations of these statutes.
